I am currently attending a full-stack web development bootcamp at University of Central Florida. I am learning responsive web design, css, javascript, node, bootstrap, jquery, and more.

HENSEL PHELPS, Tampa — Lead Skilled Journeyman

10 2019 - 08 2020

I lead a labor team, providing guidance and delegating tasks. I work on a variety of tasks around the construction site, everything from carpentry to concrete finishing. I have used circular saws, reciprocating saws, angle grinders, impact drivers, hammer drills, drywall screwdrivers, SDS hammers, and a wide variety of hand tools.

LYF Inc., Land O' Lakes — *Supported/Behavioral Resource Manager*

02 2017 - 06 2019

I was responsible for ensuring proper curriculum requirements were being met by the teachers. I provided assistance on call for classes that needed it, diffusing aggressive situations with behavioral clients, or simply answering questions and providing needed coverage.

Belk, Land O' Lakes — *Operations Team Associate*

03 2016 - 04 2017

I processed and organized merchandise. I unloaded trucks multiple times throughout the week, as well as, sales set, and janitorial work.
